**CHAOS
GROUP**

CHAOS – it's an unusual name, but we chose it because that's who we are – and who we're out to help. The Chaos Group work with vulnerable people, delivering employability skills, engaging them in meaningful activities and supporting them to access employment in their communities. The project aims to promote the inclusion of people with disabilities in society and breakdown cultural barriers to prevent stigmatization of disability. We're a diverse organisation with a community Café and Hair and Beauty Salon both located in Truro as well as a registered care farm on The Roseland and a domiciliary care company supporting both children and adults across mid Cornwall. So that's CHAOS. Odd but it fits. It fits us and it fits

those we work with.

THE CORNWALL COLLEGE GROUP
